I / We wish to nominate \_\_\_\_\_  
for the YMCA Peace Medallion.

The YMCA Peace Medallion is intended to recognize the achievements of individuals and groups in local communities who--**without any special resources**--demonstrate in their lives and activities the values expressed in the World Alliance of YMCAs' 1981 Statement of Peace, which states (in part):

*"Peace has many dimensions. It is not only a state of relationships among nations.*

*We cannot expect to live in a world of peace if we are unable to live in peace with those close to us -- even those who differ from us.*

*"The responsibility for peace begins with each person, in relationship with family and friends, and extends to community life and national activities..."*

The selection committee will be gathering more information so your answers can be brief. Please explain how the actions of the nominee have done at least one of the following: demonstrated positive ways to be a “peacemaker”; promotes peace at any of these various levels: within the family; in the community; in our nation; internationally and/or motivated the local community in peacemaking activities; and seeks effective ways of strengthening peace.

Please list below the names, addresses and/or phone numbers of two people we can contact as references for the nominee.
