

## THE POWER OF BEING A GIRL

The Kamloops Community YMCA-YWCA is pleased to present the **Power Of Being A Girl Conference** for girl's ages 12 years to 14 years. This fourth annual one-day conference, in October 2009 is planned by girls for girls. The Power Of Being A Girl conference allows girls to learn ways to face the challenges of growing up. Being a girl can be powerful and the interactive workshops will explore healthy ways girls can find, keep and share that power. Participants can register through the Kamloops Community YMCA-YWCA.

### COMMUNITY SUPPORT

There are opportunities for members of our community to provide support for this excellent development opportunity for girls. For only \$25 you can sponsor a girl to attend The Power Of Being A Girl Conference. Your donation makes this conference accessible for all girls in our community. Partnering with the Kamloops Community YMCA-YWCA or donating gifts in kind are all important ways to help ensure the success of this annual conference. For more information please contact Michele Walker at 250-374-6162
