

Y Women's Emergency Shelter

At the Y Women's Emergency Shelter we rely on donations from the community to provide some of the basics and the 'extras' for the women and children who reside at the Shelter. It is through the donations of new items that we are able to give gifts to every woman and child who has their birthday during their stay at the shelter. For the Christmas season (November 15-January 15) we are proud to be able to give our moms and kids gifts that are new and so we will respectfully decline offers of used items during this time. Please contact us at 374-6162 for drop off information.
