

Y Women's Emergency Shelter

After receiving many wonderful gently used donated items throughout the year, we are proud to be able to give our moms and kids special gifts that are **NEW** for Christmas! With that thought in mind, we will be respectfully declining offers or used toys, clothing and items after November 1st. If you have any questions about our needs, please contact us at 250-374-6162. The items listed below are guidelines based on items that are asked for each year—the list is definitely not exhaustive! Feel free to use your imagination.
