Christmas Wish List 2022

Please call the Shelter before arriving 250-374-6162

After receiving many wonderful gently used donated items throughout the year, it is important that we give our moms and kids special gifts that are **NEW** for Christmas! So that we can ensure the gift matches well with the family, please leave items unwrapped. The items listed below are guidelines based on items that are asked for each year—the list is definitely not exhaustive! Feel free to use your imagination. THANK YOU!
